

To use Medication Card, print this page and follow these folding instructions:

1. Fold along the vertical line, with the printed side of the paper facing out. Do not unfold.
2. Fold along the middle horizontal line, so that the RESCUE logo is on the outside. Do not unfold.
3. Fold along the dotted line so that the RESCUE logo is on the outside. Do not unfold.
4. Cut along the two lines around the edges of the card. When finished, trim card as needed.

4. Cut along the edges of the card last.

1. Fold along this line first.

3. Fold along this line third.

2. Second, fold along this line
